YJM SEALS AND RUBBER PARTS

JULU COUNTY HONGWEI SEALING&ELECTRIC PARTS CO.,LTD

BRIEF INTRODUCTION

Julu County Hongwei Sealing and Electric Parts Co., Ltd. was founded in 1991, mainly engaged in the export business of rubber seals. It is a modern production enterprise integrating research and production. The company is located in Julu County Economic Development Zone, Xingtai City, Hebei Province. It covers an area of 80,000 square meters. It has two large workshops, one comprehensive warehouse, office and living facilities.

总经理: 杨敬敏
G.manager: Yangjingmin

Hongwei Sealing has been focusing on seals for more than 20 years. It has advanced manufacturing equipment and testing instruments, and has passed ISO9000 international quality management system certification smoothly. The company has strong technical force. Tianjin University, Dalian Jiaotong University and Beijing University of Chemical Technology provide technical support, cooperate with Aerospace 42 in the research and development of seals, and cooperate extensively with the Ministry of Weapons Industry 53 in the experiment and test of seals.

Hongwei Sealing focus on oil seals, O rings, gaskets and other sealing products. the main products are TC shaft oil seals, rotary oil seals, valve seal, bonded seal, rubber parts, O rings, copper gaskets, cylinder head water plugs, water-lubricated bearings and so on. Products are widely used in Kia, Honda, Nissan, Mercedes-Benz, BMW and water-lubricated bearings are widely used in the stern shaft of ships.

Hongwei Sealing always put the quality and reputation of products in the first place. For more than 20 years, products are mainly exported to overseas markets, including Southeast Asia, Europe, Africa, South America and so on.
